

UNITED WAY PENNIES FOR CHANGE

This program allows you to donate one penny every time you use your Ontario Shores Federal Credit Union credit card. Every month, the credit union will tally the number of times you used your card. One penny per point of sale transaction will be deducted from your account. You will see a line description on your monthly statement titled Monthly Participation Fee. Your money is combined with the contributions of other program participants and put to good use right where you live.

About The United Way
